PRESENTATION OF MODULE 4

The Objectives of Module 4: AI at our service as teachers? are:

- To understand how decision-making tools may change teachers' practices, possibly improve them and have to be questioned.
- To identify the risks associated with the use of AI systems in decision making.
- To use a template to analyse an AI-based Educational tool.

Material:

- 2 videos
- 1 activity
- 5 readings

Investment Time: about 40 minutes
