FIRST WEBINAR OF THE AI4T MOOC - VERSION HOSTED ON THE FUN PLATFORM

The first webinar took place on 31th of January, 2024.

It was devoted to the theme *"Using AI in education: feedback and prospects"*.

The following resources have been produced during the session, and are available online:

- Program of the webinar,
- Replay of the webinar,
- the compilation of all the presentations used during the webinar.
